

## Crafttapped Digital Beer Redemption

# Log in

To get started, visit [craftapped.com/login](https://craftapped.com/login), and log in to your member account.

# Members Page

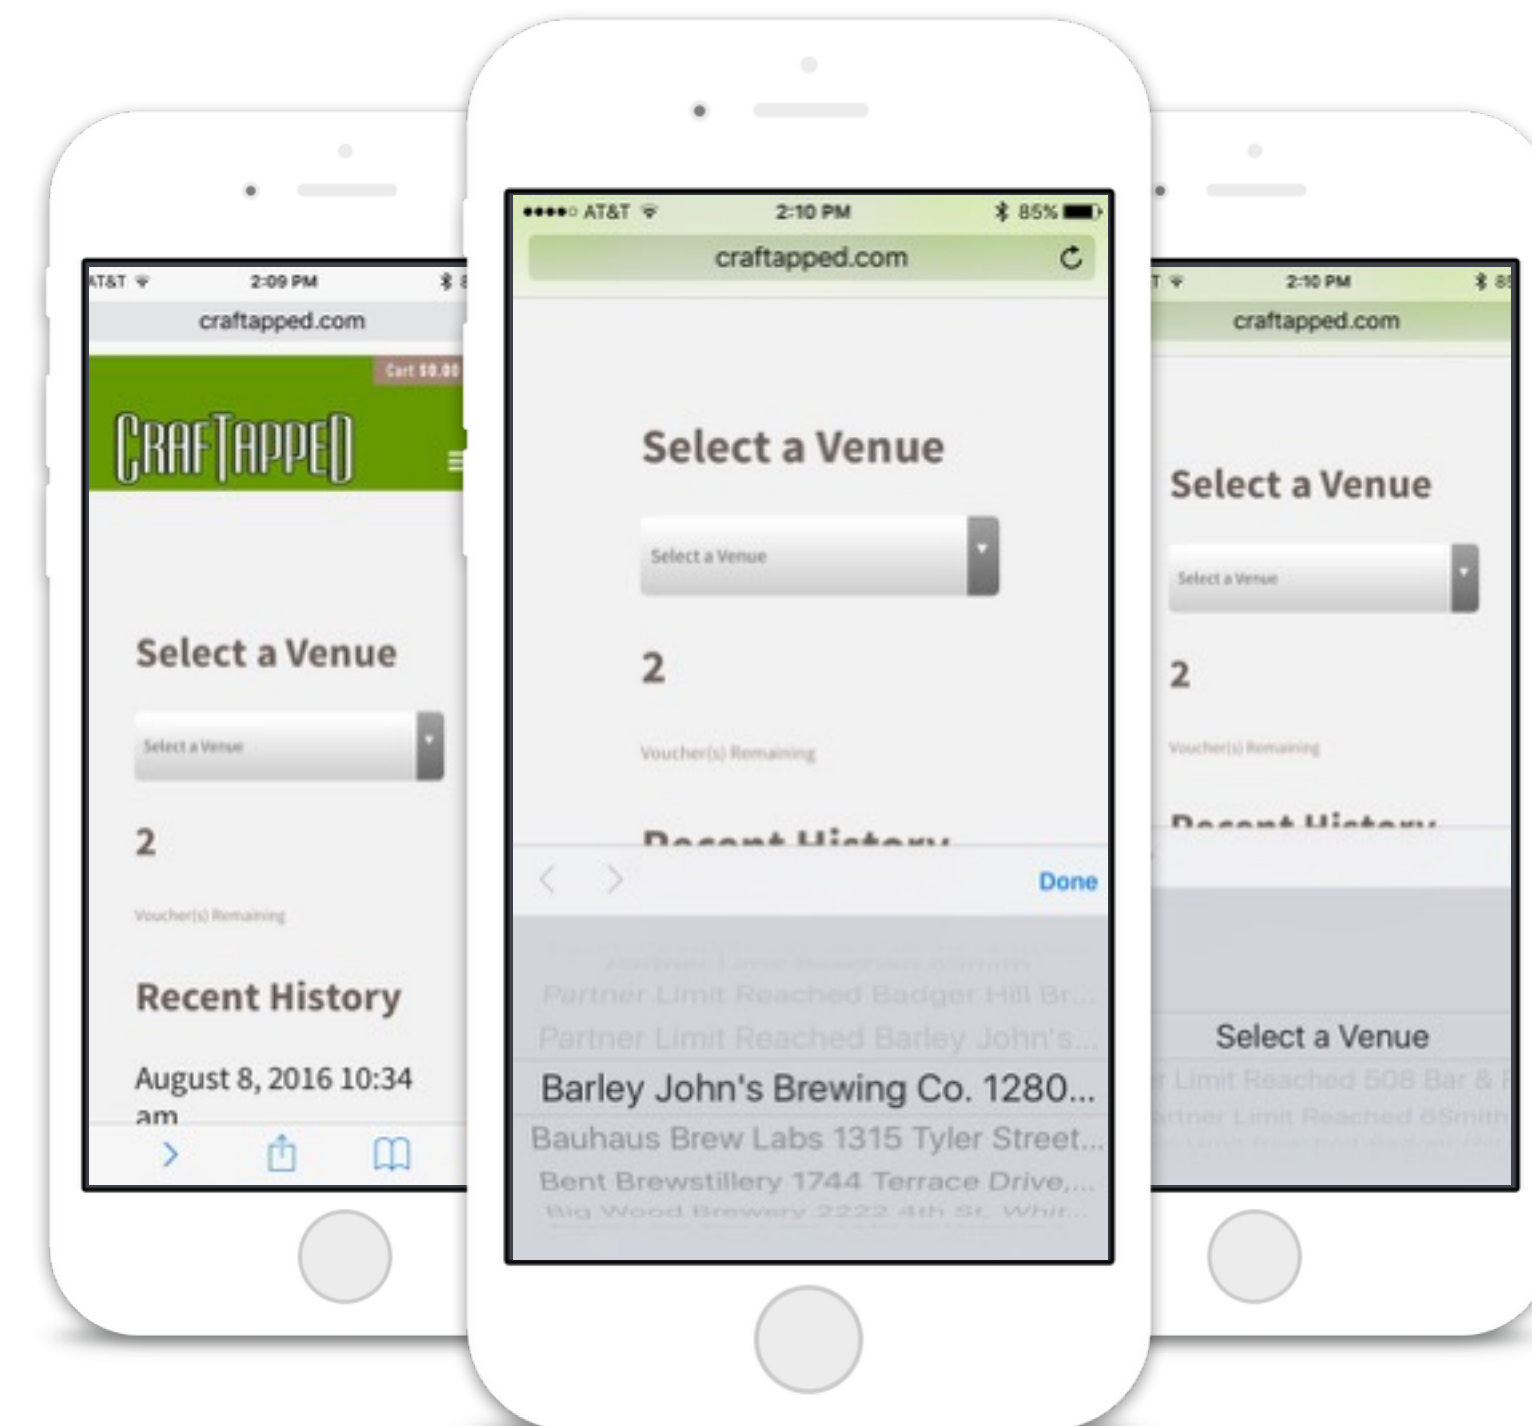

Once logged in, you will be redirected to the members page, which shows remaining beer credits for the month.

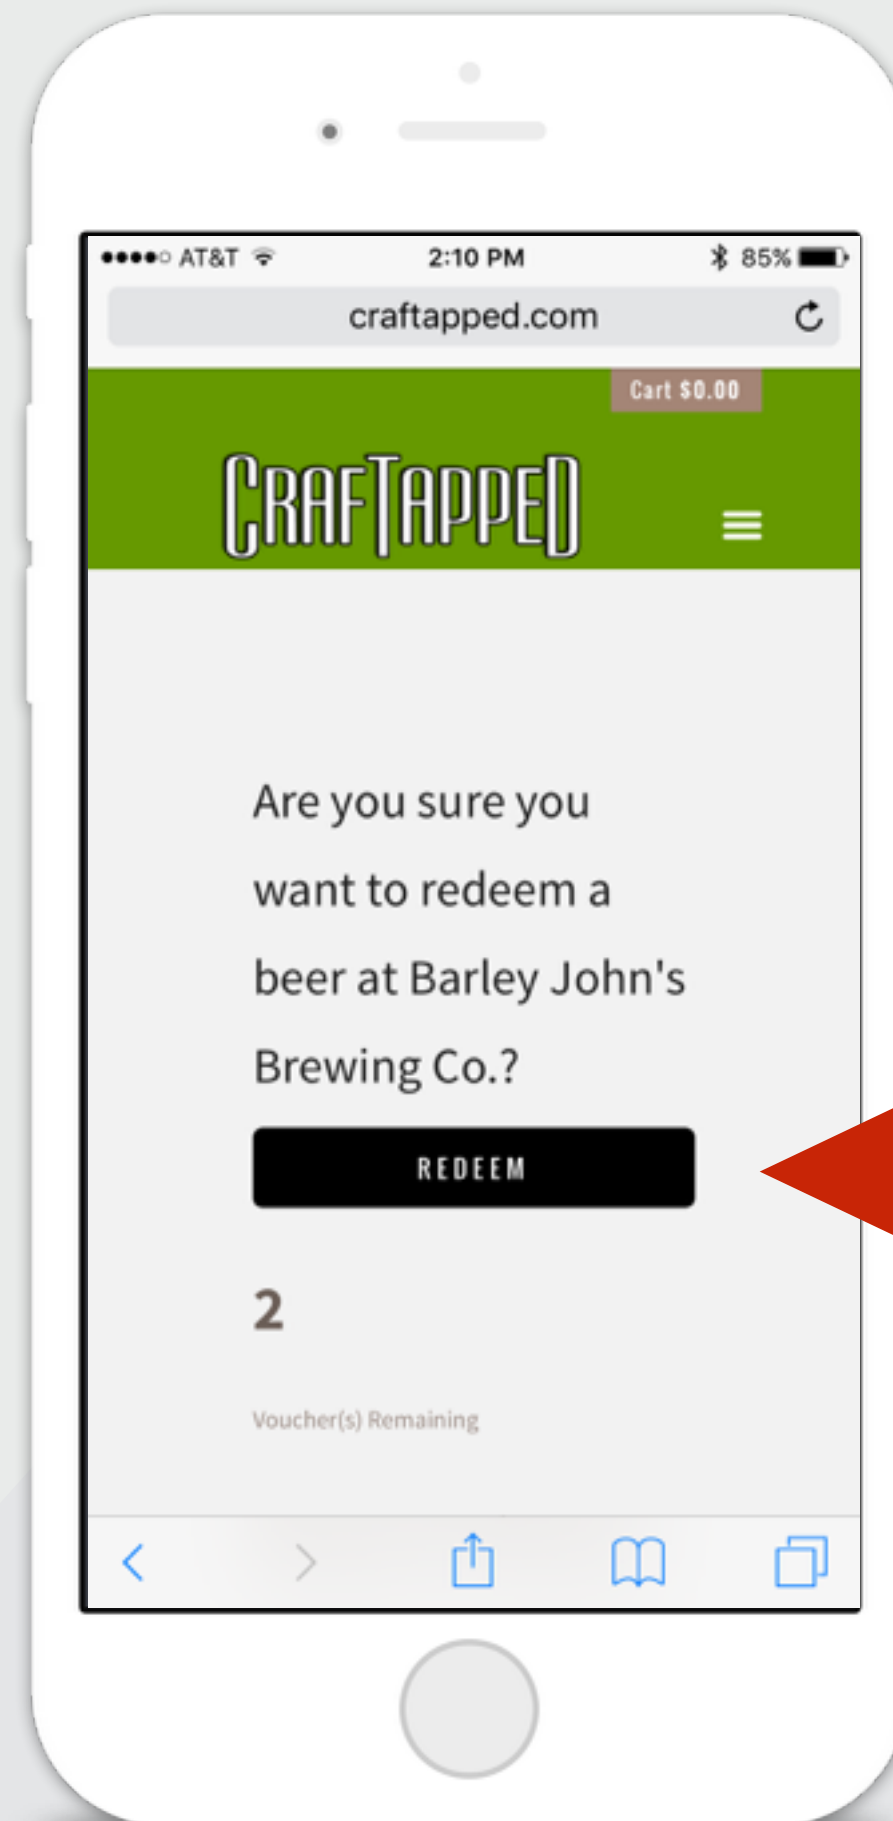

To redeem a beer, push the 'Redeem Beer' button.

Certain specialty pours, cask conditioned or barrel aged beers may be excluded from Crafttapped beer redemptions.

# Choose Venue

Select the partner establishment from the 'Select a Venue' drop down list.

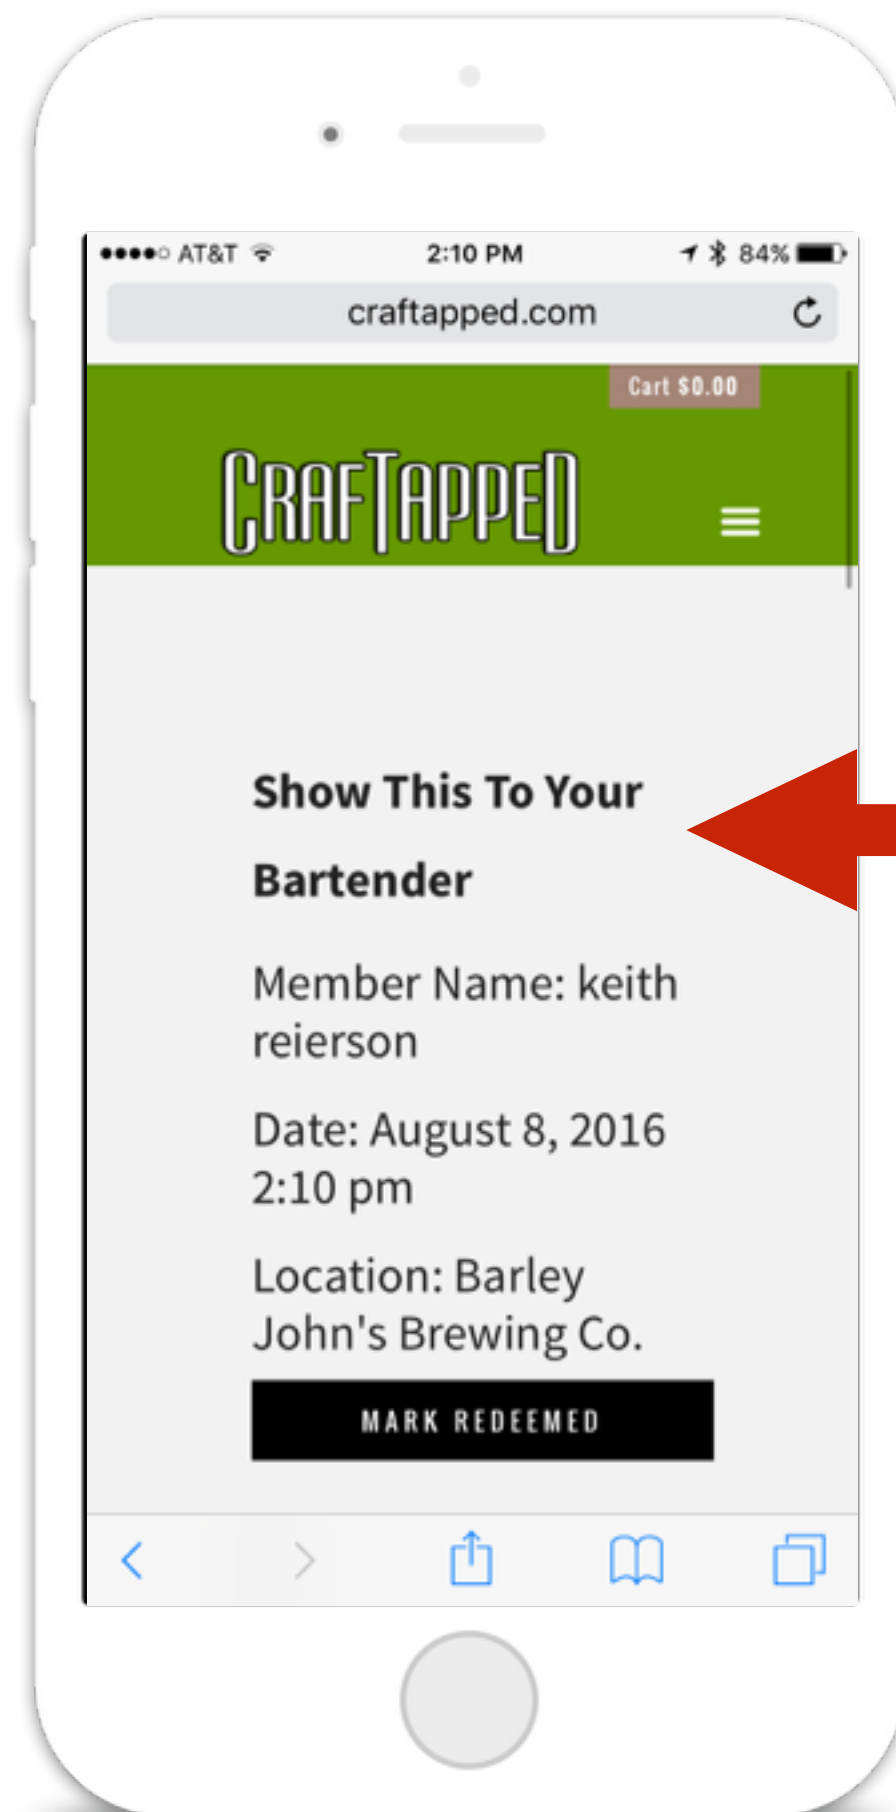

## Confirm Redemption

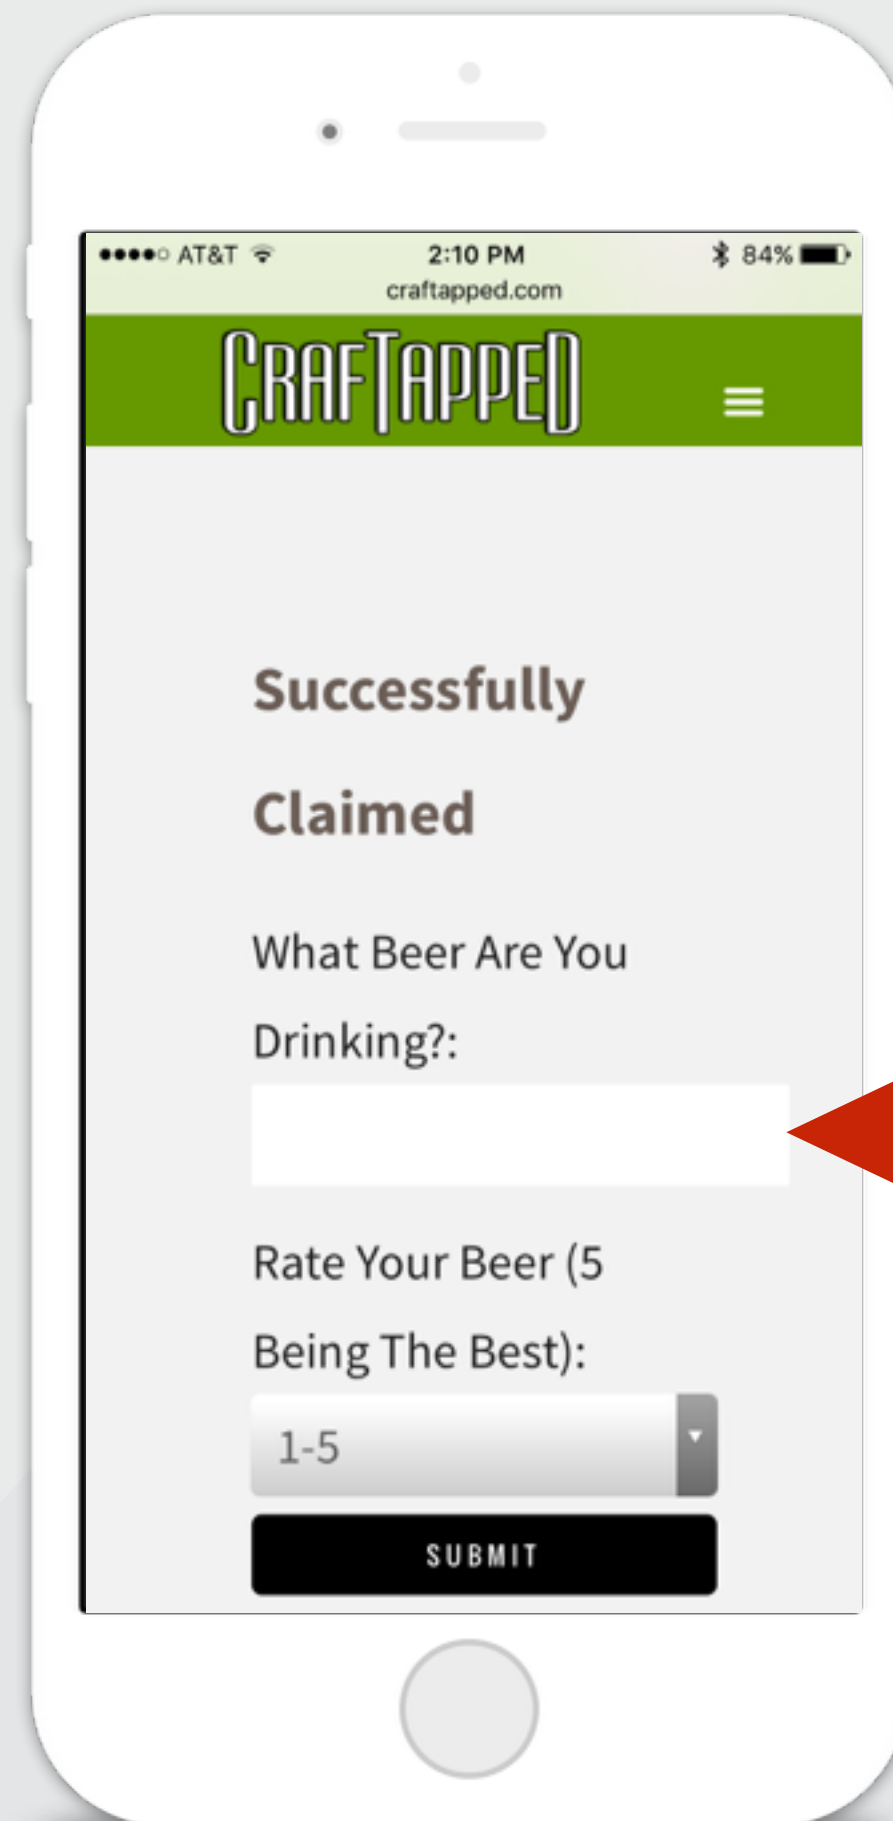

Confirm you want to redeem the beer at the selected partner by pushing 'REDEEM' button.

# Bartender Confirmation

When prompted, show your phone to the bartender, and then push 'Mark Redeemed' for redemption confirmation

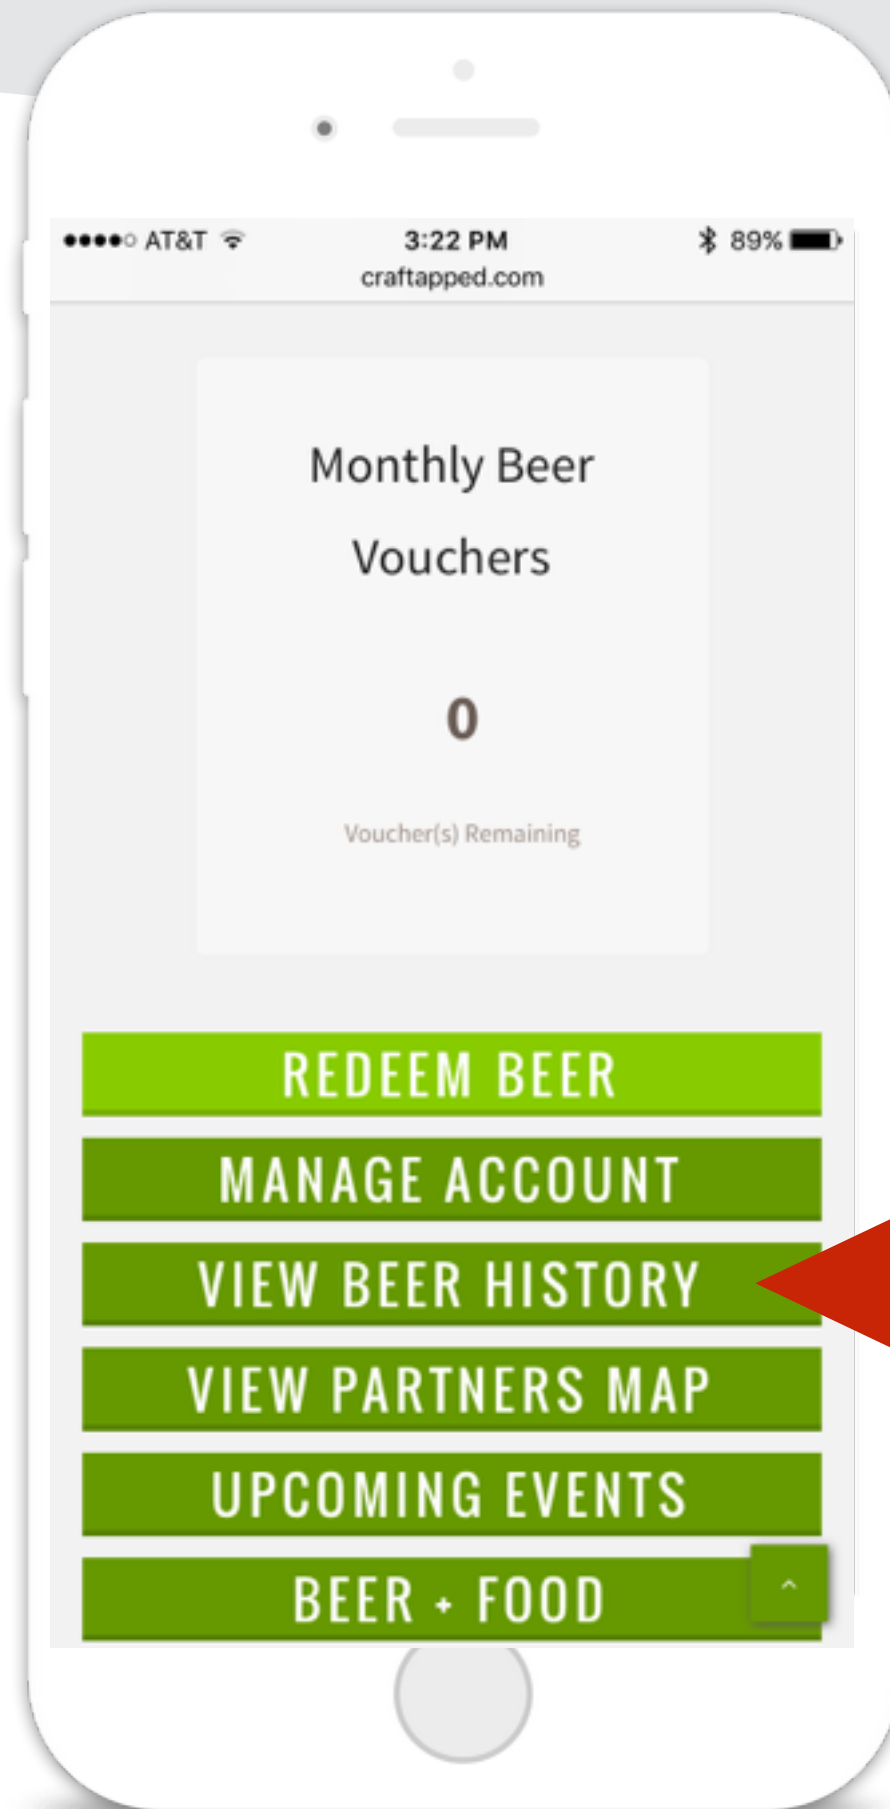

## Enjoy the beer

Once confirmed, the bartender will pour your beer.

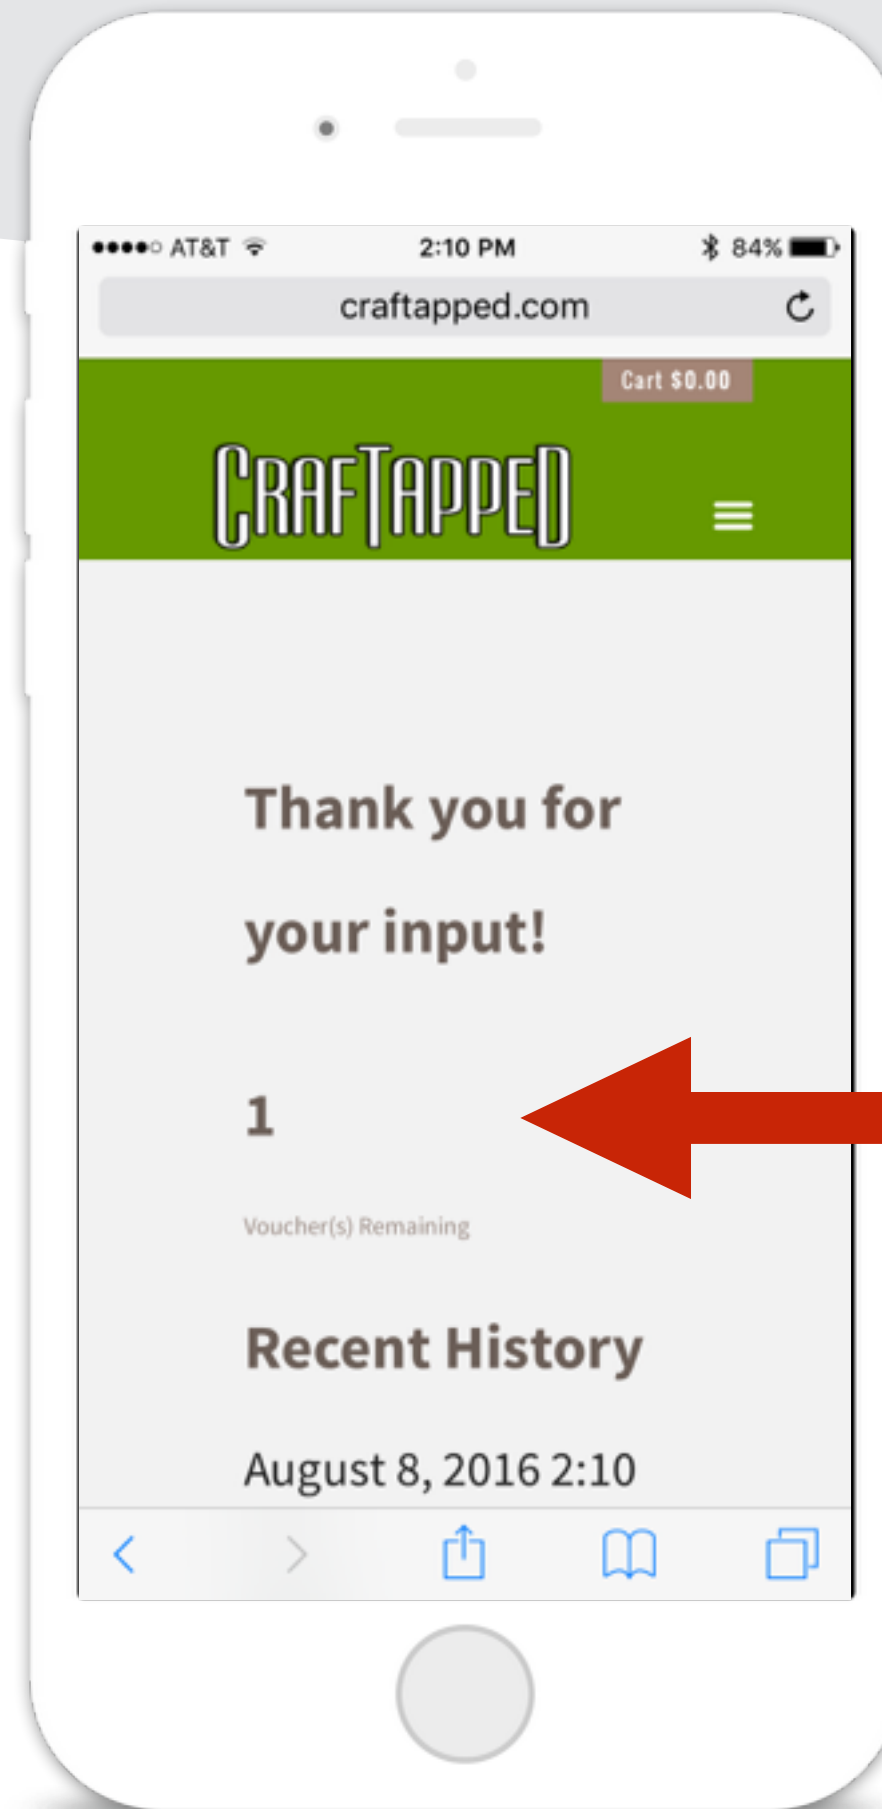

## Feedback

Let us know what you drank and what you thought of it.

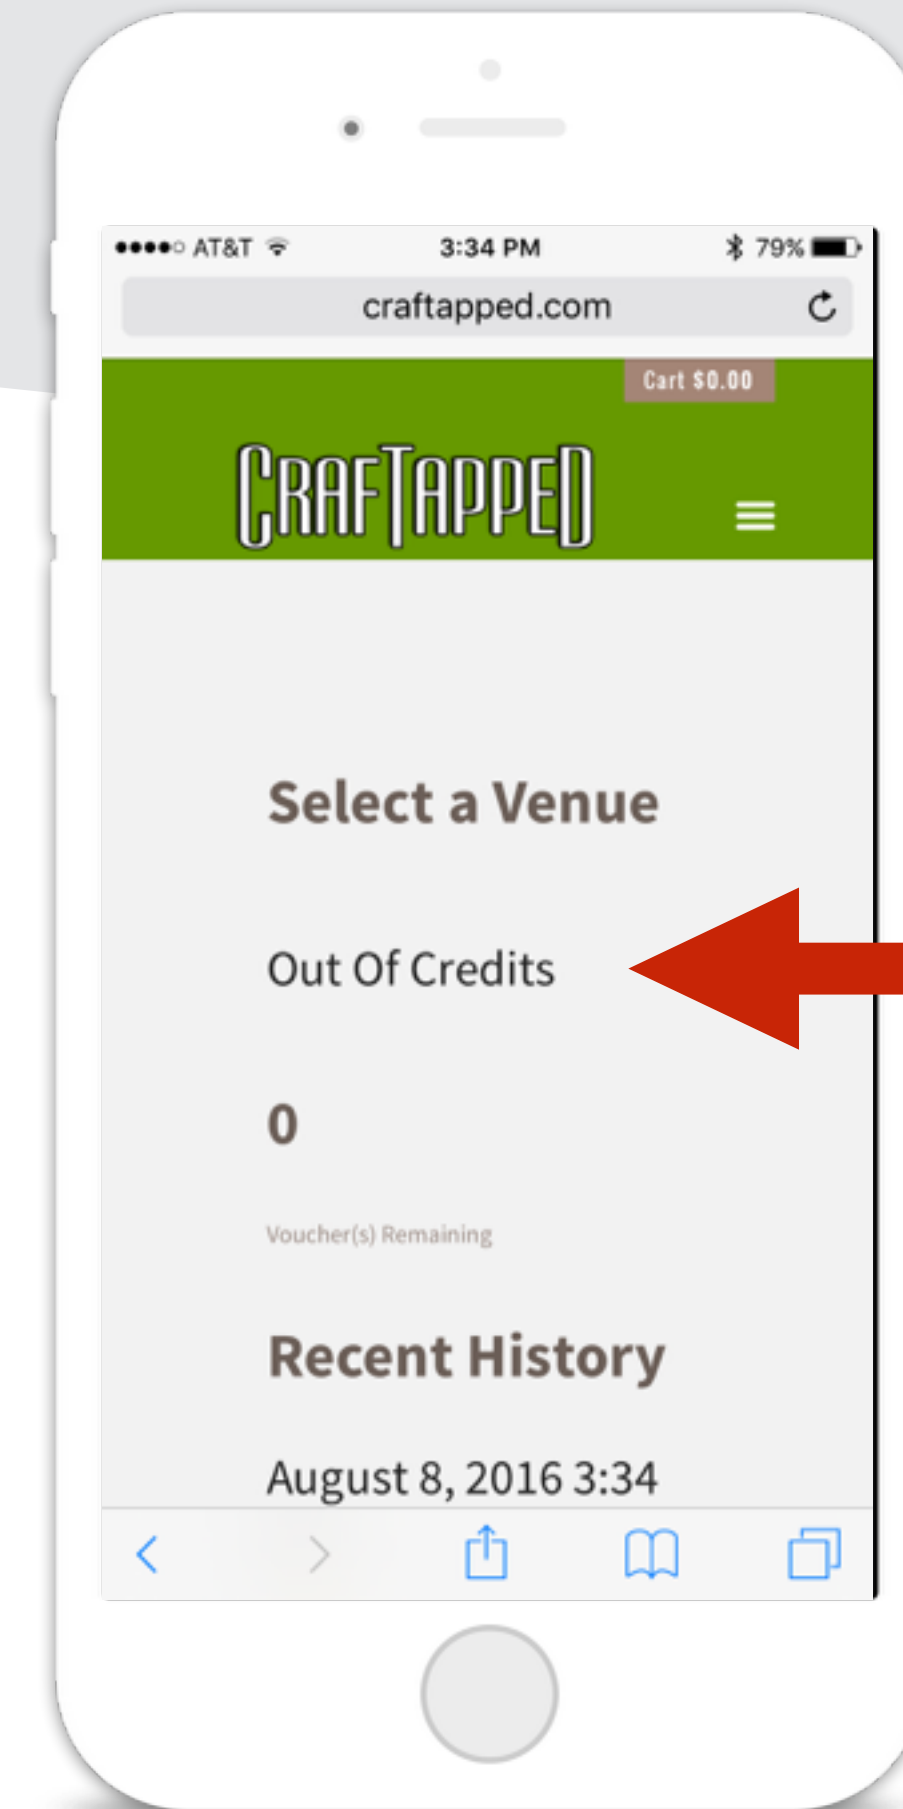

## Misc.

View your recent redemptions  
in 'View Beer History'

The system automatically  
updates your remaining vouchers

and notifies you when limits  
have been reached
