		Friendly reminder that we will be open for food delivery and curbside pickup from: Monday-Friday: 11am-10pm	
		Saturday-Friday: 11am-10pm Saturday-Sunday: 9am-10pm (breakfast is still on!) We've partnered with four small	
		businesses to help support our local community while we continue our mission to feed local	
		kids free lunches while they're out of school. Lunch at school is often the most nutritious and,	
		sometimes, the only meal some children will have during the day. Our goal right now is to raise \$10,000 to keep this vital program in operation. All proceeds go directly to purchasing	
		food and supplies from indispensable local businesses.	
		Fitger's Brewhouse Brewery and Grille farmer, Steve Risacher, uses our spent grain to feed his cows; Farmer Steve is providing us with beef for the meals. YKer Acres is providing the	
		pork, and Duluth's Best Bread is providing the cookies. Finally, Evolve Duluth is a non-profit	
		organization that has generously set up a GoFundMe, allowing your donation to	
		#FeedTheKids to be tax deductible. Thank you all for your continued love support!

1		To help us all feel a bit more connected while enjoying a delicious Insight brew, we're starting	
1		a new game - #StuckInsideWithInsight. Here's how to play: 1. Grab a 4 pack of your favorite Insight beer at your favorite local liquor store (e.g.,	
		Strawberry Old One-Eye)	
		 Take a quarantine selfie* enjoying an Insight brew (like the one our Territory Manager, Rayna, is enjoying with her Guinea Pig, Lucy) 	
1		3. Post it on social media, tagging us and using the hashtag #StuckInsideWithInsight, which	
		enters you for a drawing of awesome Insight swag (gift cards, apparel, and taproom experiences).	
		In addition, for each entry into the raffle using #StuckInsightWithInsight, the brewery will	
		donate 5 minutes of service to our community. It might be picking up trash (no, we aren't coming to your house) or working at a food bank, or perhaps saving a Catholic orphanage	
1		(hey, we're on a mission from God). All we can say is we're going to do some good and give

		Our online ordering system is up and running. Please read the details and click on the link	
		below to place your order. We are now offering curbside pickup service of our growlers and crowlers at the brewery.	
		Here's how it will work.	
		Order ahead online. Payments will only be taken online only via credit card. To place your order, click the link below.	
		Once the order is placed, we will receive the order and prepare it to be picked up at the	
		allotted time Pickup times will be 4:00 PM to 8:00 PM. Until further notice, we will only be filling new glass growlers, so you cannot bring in your own growler to be filled. As a result,	
		the price of each growler will go up by \$5 to cover the cost of the glass vessel per our normal	
		prices. When deemed safe to do so, we will accept the growlers back in exchange for a special	
		offering to be determined should your growler collection get too big. Details on that to come	
		at a later date. Please let us know if you have any questions or comments. You can e-mail us at
